

HUNGARIAN POSTAL HISTORY

Postage Due

1951: New BROWN ISSUE

First Philatelic Tri-sects??

State Railway duty roster notices sent to employees as official post, within Kecskemet, local rate 60f., to be paid by addresses. Seemingly without 60f. dues., a postal clerk cut out one-third divisions of 2Ft. . dues.

It is very exciting to find something that is perhaps the only one that exists. There is often a human story. It was New Year but the trains must run and so the duty rosters must be sent to drivers and other staff. There were no 60f stamps. But someone had 2Ft. Stamps!
