Invitation

Dear member,

We are pleased to greet you again as a member of Mafitt, and invite you to our yearly general assembly personally or by an authorized representative. We ask for your help to support this event because it is not possible to achieve our goals without the active participation of the members. In the lack of the personal participation − which is not so easy from abroad, we agree − the written mandates by members help us to begin the assembly in the planned point of time.

Venue: Sopron, Bajcsy-Zsilinszky u. 4, Ligneum
Time: 7. May 2017 Saturday 9:30 am.

In the absence of quorum a repeated Assembly is called together for 10:00 the same day which can make decisions in the subjects of the advertised schedule without further restrictions.

Schedule:

1. Honorations /Dr. Géza Homonnay, President/
2. Reports and audit control /by the office-holders/
3. Plans for 2017 /Dr. Géza Homonnay, President/
4. Others /some matters without decision needed by the Assembly/

Please follow our News on the website of Mafitt for the written materials to the schedule. Unfortunately they are mainly available only in Hungarian. Sorry but we cannot provide them recently in all languages of our members.

You can send us written and scanned mandates either by e-mail or by post. Please take authenticity into consideration, it can either be personally handwritten by you or signed by you and two witnesses. The delegation could be temporary or permanent but corresponding our statutes an authorized peson can have only three mandator, so you must check with him or her before filling out the mandate. See a form in the second page of this letter.

In case of it wasn't managed for 2016 till now please pay the membership fee at the assembly or contact the secretary to fulfil it by paypal or via bank account inside the euro zone. It is only 25 Euro per year − can be paid for more years in advance also − and is mainly used to cover the costs of sending the printed Philatelica to you.

Budapest, 7 April 2017.

With best regards:

Dr. Géza Homonnay
president
